**Nina Ottosson Puzzles:** Shop ideas and watch videos on her website, then price shop/compare at Amazon.com and Chewy.com - <http://www.nina-ottosson.com/products/all-products/> (I personally prefer the plastic....bring out, use supervised with dog, when done rinse and let dry, then put away back in box with all the pieces and how-to dvd).

**Flirt Pole:** [http://www.amazon.com/KONG-Chase-Squeaking-Assorted-Characters/dp/B00AEJANCW?ie=UTF8&keywords=dog%20flirt%20pole&qid=1465420548&ref=sr\\_1\\_3&sr=8-3](http://www.amazon.com/KONG-Chase-Squeaking-Assorted-Characters/dp/B00AEJANCW?ie=UTF8&keywords=dog%20flirt%20pole&qid=1465420548&ref=sr_1_3&sr=8-3) (**or** Go to local feed store – like Western Feed that carries horse supplies/lounging whips and you can make home-made with a Horse Lounging Whip and favorite toy – like a stuffless squeaky fluffy animal toy tied on to the end of the whip) – But keep on the ground, as do NOT want puppy jumping in the air to get – too young, growth plates not closed yet and use on soft grass/ground.
